

Ground Rules

BE KIND AND LISTEN

Treat others like you want to be treated. Listen when someone else is talking, and wait for your turn to speak. Having different ideas is okay, but we should always be respectful to each other.

Ground Rules

STAY ON TOPIC

You have 30 minutes, so use the time wisely to ensure that everybody gets a chance to share.

Ground Rules

EVERYONE GETS A TURN

We want to hear from everyone! Raise your hand if you have something to say. Your ideas are essential even if you're shy, so don't be afraid to join in. We're all friends here!
